

**LABELLING SOLUTIONS FOR
PHARMACEUTICALS,
COSMETICS &
PERSONAL CARE**

Our labelling solutions

Langguth labelling machines are uniquely capable of fulfilling and exceeding the industry specific requirement for the pharmaceutical and personal care products.

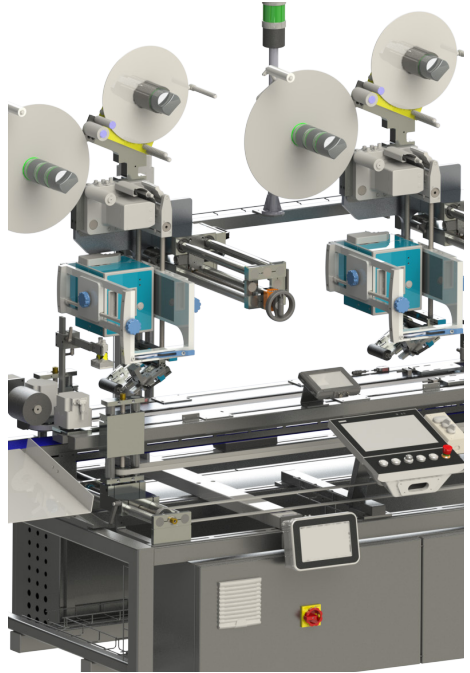

In particular our machine solutions are built with materials that meet the industries demands including Clean-Design requirements.

Langguth's wide range of additional equipment, including continuous run, automatic adjustments, track & trace, label control, print or print & apply systems, as well as line integration complete this range of offers for the industry.
